EXPERIENCE

IMPLEMENTATION PROJECT MANAGER

CONTROLANT, REYKJAVÍK, IS | 2021 -

- Controlant is a leading cold chain service provider that works with some of the biggest pharmaceutical companies in the world on temperature monitoring.
- Led several projects that have improved the service and processes around it, ensuring that the Covid-19 vaccine and other critical drug treatments are safely delivered to patients.
- Lead project manager for the implementation of Pfizer's Gene Therapy program.
- Member of the community collaboration board, and department fun committee.

BUSINESS DEVELOPER

SOMEONE SOMEWHERE, MEXICO CITY, MX | 2021

- Six-month internship aimed at forming an international B2B channel for a digitally native, socially conscious apparel brand with 50+ employees.
- Worked directly with CEO to develop strategies, processes & content for the channel, and laid the groundwork for the company's first B2B sales in the market.
- Supported the company's Head of People by developing and implementing strategies to facilitate remote cooperation & increasing team cohesion.

PROJECT MANAGER

PROJECT PASSPARTOUT - TOSCANA, IT | 2020

- Humanitarian project aimed at helping refugees find opportunities in the Italian labour market.
- Responsible for supervising the work of an international team of 5 people.
- Personally established cooperations with partner organizations.
- Supervised a collaborative effort of creating and publishing a handbook to help refugees find employment, which was released in 5 cities and in 3 languages.

TEAM LEADER

STATISTICS ICELAND - REYKJAVIK, IS | 2014 - 2018

- Supervisor of a statistical research team of around 60 people.
- Responsible for people management, employee development as well as conflict management within the group.
- During my tenure, I managed to improve worker productivity in my department, decrease sick days, and lower employee turnover.
